# Leading Hybrid Teams - Opportunities and Challenges

9 September  
2021, 12.00-  
1.30pm

This 90-minute interactive workshop will:

- Support you in building skills and behaviours to manage and supervise effectively in the hybrid environment.
- Introduce the benefits of adopting a 'Manager as Coach' style.
- Share practical tips and build strategies to help you maximise engagement, inclusion and wellbeing.

# Understanding and Working in Hybrid Teams

16 September  
2021, 12.00-  
1.30pm

This 90-minute interactive workshop will:

- Introduce the 'Social Styles' model to help you understand and work with team members, whose approaches may present particular strengths and potential challenges.
- Provide opportunities to reflect on your individual Social Style (Driver, Analytical, Amiable and Expressive) and practise strategies to work with the other styles.
- Consider the practical opportunities and challenges of working in hybrid teams.
